As we move INTO THE NINETIES, we do so with a ten year history of success in academics and extracurricular activities. All through the Eighties, to be a Courtland Cougar has meant to be a winner: our full-to-overflowing trophy cases are tangible evidence of our winning ways. Not only have Cougars of the past distinguished themselves in fine colleges and universities, but also we have consistently paraded our award winning Royal Brigade before audiences in several states. In addition, our sports teams have made their mark in the record books and on their opponents state wide. Courtland Cougars of today and tomorrow are no different from all those of the past: with our rich history behind us, we proudly face the Nineties, ready to show that we, too, are winners.

Congratulations on Another Successful School Year 1989-1990

Success is not measured
by the number of school days completed,
rather it is determined by positive attitudes,
a constant endeavor to excell,
and a delicate balance between
a strong sense of unity
and the importance of maintaining individuality.

At Leggett of Spotsylvania Mall, we appreciate these qualitities of success... and that is why in our store you will always feel at home, you will always be able to find the perfect pair of jeans or the most beautiful dress for the prom, and you will always find cheerful associates to help you in your selections!
